

COMPANY PROFILE

providing smart innovative security solutions for smart generations

ROGEL SECURITY (PVT) LTD

Rogel Security is a fully registered company and licensed with the Ministry of Home Affairs to operate country wide. The company provides security services for all sectors. We also offer servant leadership in the premises that we man.

Rogel offers a wide range of services that include CCTV surveillance systems, alarm systems, watch dogs, fire arms, training security guards, mobile patrols, manned guarding and rapid response.

Client Focused Approach

Rogel Security is a well-established security company famed for providing high-impact and cost-effective staffing solutions for our customers throughout Zimbabwe.

To make sure that the services we provide specifically address identified security issues, we always work closely with our clients. Our solutions are tailored to address these.

Quality Policy Statement

To be a legendary, smart leader in providing top notch security services to our clients whilst fulfilling applicable requirements of our interested parties through application of internationally recognized systems

In pursuit of the above, we are dedicated to:

- Communicate this policy to all stakeholders
- Pursue our strategy
- Reliability
- Innovation
